Update on the Drug Threat Through the Caribbean

25X1

- All agencies should be prepared to present an assessment of current trafficking developments and trends throughout the Caribbean.

- Enforcement agencies will identify outstanding foreign intelligence gaps that need to be addressed so Caribbean interdiction strategies can be finalized.

- The NIO will also address the issue of the flow of foreign intelligence in support of national interdiction strategies and operations.

Research and Development

- The NIO will lead a discussion on the need for R&D initiatives to address collection gaps and provide foreign intelligence support to enforcement efforts.

- All agencies should be prepared to provide a brief overview of ongoing R&D efforts on narcotics and identify specific issues where R&D initiatives can contribute to solving existing narcotics enigmas.
